GARRETT COUNTY GOVERNMENT FISCAL YEAR 2026 BUDGET MESSAGE JUNE 2, 2025

To the Citizens of Garrett County:

Three years ago, we entered the budget process cautiously optimistic and developed a responsible, forward-thinking financial plan. This plan represented sound financial management, strategic investment, and enhanced funding of essential services—all without increasing property or income tax rates. The result was improved health, safety, and overall quality of life for the residents of Garrett County.

The Board of County Commissioners implemented a cost-control strategy designed to defer property tax increases for several more years. Our analysis aimed to identify the optimal point for any necessary fiscal action, whether generating additional revenues or adjusting service levels. By maintaining the tax rate, we were able to pursue an aggressive and robust capital improvement plan while preparing to meet escalating education funding obligations.

We are pleased to report that this approach has proven effective. For Fiscal Year 2026, the Board of County Commissioners **reduced** the property tax rate from \$1.056 to \$1.02 per \$100 of assessed value. This reduction reflects our continued commitment to fiscal responsibility and efficient governance.

Fiscal Year 2026 Budget Overview:

- **Operating Budget:** \$104 million
- **Capital Budget:** \$12.9 million
- **Total Budget:** \$116.9 million

Education Funding:

Education continues to be the most significant financial challenge facing the County. In the Fiscal Year 2026 Budget, the Board allocated an additional \$4.26 million to the Board of Education to support the mandated \$4.04 million *Blueprint for Maryland's Future* increases and additional \$219,000 teacher pension cost passed down to the County from the State. These Blueprint costs are projected to increase by \$20 million by 2034, representing a substantial long-term financial obligation.

Unfunded Mandates:

With the State of Maryland continuing to face a projected \$1 billion budget deficit for Fiscal Year 2026, we are preparing for potential funding reductions and an increase in unfunded mandates imposed on counties. These mandates significantly burden local resources. As a result, this budget reflects an additional \$5 million negative impact, driven by the following state-imposed obligations:

- \$4,040,649 in additional mandatory Education Blueprint funding
- \$286,863 reduction in the Disparity Grant
- \$267,650 in shifted costs for local State Department of Assessments & Taxation operations
- \$218,799 in shifted teacher pension costs
- \$50,409 in community college pension costs now assigned to the county
- \$100,000 impact due to changes in the State Income Tax structure
- \$85,000 for a mandated courtroom security position

We are actively monitoring developments in Annapolis and will continue advocating for fair and sustainable funding structures that do not compromise local services.

Budget Highlights:

- Property Tax Rate Reduced: Lowered from \$1.056 to \$1.02 per \$100 assessed value
- \$4.26 Million Increase for Education: Supporting mandated Blueprint funding
- \$2.9 Million for year three of our four-year commitment to Southern Grade Band Project
- No Reduction in Core Services: Maintained full-service levels despite rising costs
- Continued Investment in Infrastructure: Capital projects prioritized for long-term benefit
- Strong Fiscal Management: Balanced budget without use of one-time funds for recurring expenses

The Board of County Commissioners remains committed to sound, conservative financial management practices. Our priorities continue to focus on maintaining health, safety, and overall quality of life in Garrett County, while preparing responsibly for the future.

This could not happen without the support of the dedicated employees of Garrett County. We express our gratitude to these hardworking individuals who continue to provide outstanding service to our citizens.
