**Applicant must maintain a household within Garrett County. This permit is ONLY for normal household waste generated within YOUR Garrett County residence.**

Applicants are required to show proof of maintaining a household within Garrett County. Current utility bills or property tax statements detailing the address generating household waste will be sufficient proof. Applicants applying in person should bring this with them. Applicants applying through the mail will need to send a copy along with this application.

Out-of-county refuse including recycling items are **NOT ACCEPTED** at any collection site (including the landfill). A refuse permit is not required to recycle or to cross the scales at the Landfill with waste or recyclables generated within Garrett County.
