RE: Invitation to Bid #25-0206 Pump Station 1-1 and 2-1 Rehabilitation

Please note the following clarification to Invitation to Bid #25-0206 Pump Station 1-1 and 2-1 Rehabilitation resulting from a question received from an interested bidder:

1. Is there a preference for how the application of the 1/2" to 1" Fiber Reinforced Cementitious Material is applied: sprayed vs troweled.

Answer: The answer to this question is in the bid package project SOW description and states "an impermeable spray-on application for resurfacing."

Please acknowledge receipt of Addendum 3 by initialing the appropriate section on the Signature to Bids Page of the bid package.
